On Wednesday 13 July 2010 Jane and Mieke attended a meeting of U3A (University for Third Age) at The Forum.

Discussed was the possibility of clients having a taster session in the various activities that U3A have to offer.

As this was the last meeting of the season it was agreed that this proposal would be brought to the attention of the committee and CSI should receive their answer before the end of September 2010.
